PUPIL RECITAL

A very delightful entertainment was given at Union College Chapel Monday night by the pupils of Miss Florence Campbell, Miss Bertha Hawkins and Miss Mae Carter which included piano selections, readings, and a one act play, "The Red Parrot."

The young people take to public applause like ducks to water and certainly deserved the attention which they received.

M. E. LADIES AID

Mrs. L. C. Miller was hostess for the Ladies Aid of the M. E. Church March 5th. Although it was a real winter day, fourteen members answered roll call. The business session was very interesting for each one seemed to be bubbling over with good plans for the spring work. The society was pleased to have an invitation to meet with Mrs. S. H. Jones March 19. All members are urged to be present. Mrs. Tye assisted the hostess in serving dainty refreshments after which we enjoyed some splendid music by Mrs. Standall and Mary Miller. All were pleased to have Miss King and Miss Mayhew for visitors.

BISHOP LEWIS W. BURTON

Holds Lenten Service in Barbourville

Bishop Lewis W. Burton, Episcopal Bishop of the Diocese of Lexington, held divine service at the Presbyterian Church Friday night, which was greatly appreciated by the Episcopals of the city and members of other churches who also helped to make the choral part of the service a pleasure.

The beautiful Litany, which has comforted and strengthened Christians in every one of the more than ten centuries during which it has been in use, was read and again brought strength and comfort to those who attended the Friday night service.

A very fine gospel sermon laid emphasis on the importance of character building, citing the Blessed Saviour as an example of one who had attained to this perfection, not only thru his temptations in the wilderness, but thruout his whole life.

Bishop Burton expressed his warm appreciation for the use of the Presbyterian Church and also to others who had assisted. Among these was the Christian Church which very kindly lent an organ for the service, and members of the Methodist Church who helped with the singing. Mrs. John A. Gray had charge of the music.

DEMISE

John Hamilton, aged thirty years, of Warren, Knox County, died at his home last week. He leaves a wife and three children. Interment was at Brush Creek.

WILL ASSIST ADVOCATE

J. M. Feltner and Earl Mayhew held a conference with the editor of the Mountain Advocate about Boy and Girl work Thursday and while discussing the distribution of strawberries to the young people of the County, Mr. Feltner, who grows grapes at his home place, was kind enough to offer to send a large number of cuttings this spring. Then the question of bedding them out came up and Earl Mayhew, who is doing live agriculture work in Clay County offered, with the assistance of his brother to see to this end of the matter. When the cuttings are a year old, they will be distributed among the boys and girls of Knox and Clay County, so that we may also add grape growing to the list of fruits in which we can excel. Perhaps there is some other man who grows grapes in Knox County who will add a number of vines grown in the same way. Grape plants are now selling at 50c a piece and such a gift would mean considerable.

Mr. Feltner states that Knox and Laurel Counties are the best agricultural Counties in the mountains, or will be when developed. Earl Mayhew said that Knox County is pronounced the best that Mr. Campbell, field agent of the International Harvester Company has seen thru the mountains.

Mr. C. F. Fieldrick of the C. & M. also sees big possibilities for Knox County, but we must get together and work for it's development.

Let us try and realize that every new piece of development that is done in the County, every new industry giving employment to our people, every mile of good road that is built, adds to the comfort and prosperity of all. By approaching these matters in a spirit of brotherhood only, with a desire to benefit every man, woman and child among us, including the one who has lost the vision and spirit of community helpfulness, can we be successful. Selfishness gets nowhere, neither with God or oneself. A money atrophied soul is the most pitiful thing in life or death and should awake our profound sympathy, rather than scorn.

CONGRESSMAN ROBISON WIRES IN REGARD TO PENSION BILL

Washington, D. C. Mar. 9, 1920. Editor Mountain Advocate:—

The Spanish American and Philippine War Pension Bill which was reported by our committee passed the House by a vote of 293 to 19 and we feel the Senate will also pass it. Under a recent ruling of the Comptroller of the Treasury each soldier who serviced overseas on and after July 11, 1919, will receive additional pay of \$1.20 to \$3.00 per month. All such soldiers will send me their names and post office addresses. J. M. ROBISON.

F. C. MOORE WRITES

46 Cumberland Circle, Asheville, N. C. March 5th, 1920. The Mountain Advocate, Barbourville, Ky.

Gentlemen:— You will find enclosed check for \$1.50 for which please extend my subscription for one year from date of expiration of last subscription.

Keep The Advocate coming this way every week, for you know we can't get along very well without the home paper. Wife and I look forward to the coming of the home paper every Monday with as great anxiety as we do for a letter from the folks at home. Why? Because we find in it all the news of the town, and then we look a little further and we find in it a letter from Wilton, Gray, Emanuel, Bailey, Girdler, Lindsay, King, Artemus, Flat Lick, Baughman, well, in fact, from most all over the county and have friends or customers from each of these places and we read their letters with interest.

No doubt many of our friends would enjoy a few lines from our hand sent out over the county thru the paper. If you need to fill in a blank space in the paper just put in these few words.

We have been here now for nine months, have found this to be a very desirable climate. Not so much rainy weather here as we have at home. The rain fall has been very light this winter, and a few small snows. The wind blows a good deal and that is one reason I suppose it is healthy here, the air stirs nearly all the time making the summer weather very pleasant. The climate agrees with us very much. We have both gotten about grown since we came. Mrs. Moore has gained 35 pounds, total weight now 150 pounds I am breaking the scale at 196 pounds, a gain of 31 pounds. Both feeling pretty good and have almost gotten rid of the flu.

Our newly made friends are encouraging us to locate in Asheville and if our friends back in the home land do not object to it too strongly we may decide to just stay here—oh, for a while anyway. You know we just dislike the thought of separating from our good friends of Knox County for we really do love them all.

With best wishes for the success of the Advocate, we remain,

F. C. Moore and wife.

DEMISE

The remains of Mrs. Blain Parker, of Kingston, W. Va., were brought to this city and interred in the City Cemetery Sunday. The funeral service was held at the Baptist Church. Deceased was twenty-six years of age.

The cause of death was an attack of influenza following childbirth. A husband and three children, the youngest being but fifteen days old, survive. Mr. Parker was raised in Knox County and he and his wife lived here for some time where they made many friends.

The pallbearers were Ben Gregory, W. C. Faulkner, E. E. Evans, Stephen Golden, John W. Croley and B. E. Parker.

POSSE TRAITS CLAY SLAYERS OF ROOT

LONDON, KY., March 3.—News reached here yesterday of a shooting from ambush in Clay County. It was first reported that several men were shot, but Sheriff McDaniel today telephoned that a man named Root was killed, and that no one else was injured.

Three arrests have been made and the sheriff's posse is on the trail of another suspected member of the ambush party. —Louisville Herald.

B. B. I. BASEBALL TEAM

The B. B. I. Baseball team is meeting with good success in collecting funds for its organization. The team expects to not only invite other teams to visit Barbourville and cross bats with them, but will themselves try conclusions with such institutions as Central College, East Kentucky and Harrogate and others. This is the first time the Institute has had a good team, but fine material exists among the students for some first class games.

Members of the team are, E. E. Davis, W. G. Davis, Ed. Hampton, C. W. Green, Jno. Henderickson and R. A. Ferguson. Others will be added to the team as needed.

SENATOR MOSS

WE SALUTE YOU!

The Smith-Moss road bill has gone thru both houses at Frankfort and has become a law.

Under this bill the State and Federal governments will take charge of and build one trunk highway thru each section designated in the bill. Barbourville will get the benefit of one such road running from Corbin to Pineville.

We have followed the work of Senator Moss with this bill as it has been reported in the daily press and it has been conducted with that urbanity and energy which are a part of his make up.

We are sure that every citizen of Knox County will agree with us that Senator Moss and his conferees, whom we have not the pleasure of knowing, have done a big piece of constructive work which will have a far reaching effect on the roads of Kentucky generally because—Will John Smith on Smokey Creek or Bill Smith on the Artemus road be content to stick in the mud, while lucky Jimmie Smith, who lives on the trunk highway, comes to town in his dixer? John and Bill will not. Senator Moss has made a record for himself along other lines of legislation also.

J. R. MURPHY TO

HANDLE STREET WORK

It will be good news to know that the street work which is to be done in Barbourville will be in the efficient hands of J. R. Murphy, who will direct the engineering work. Mr. Murphy is a first class engineer and citizens may rest assured that the street work will be well done.

DIXIE WHOLESALE CO.

The new official family of the Dixie Wholesale Company is as follows:—President, Robert W. Cole; Vice-President, R. N. Jarvis; General Manager, L. M. Cole; Treasurer, J. A. McDermott; Secretary, C. G. Cole. These officers are also directors, which list is supplemented by James D. Jarvis and W. S. Hudson.

MRS. BASTON WYRICK

ENTERTAINS

Mrs. Baston Wyrick entertained at her home on Magolia avenue at cards in honor of Mrs. Everett Winters of Detroit, Mich., formerly Miss Elizabeth Stell of Patterson, N. J., whose father was a well known contractor of that city.

Among those present were: Lawyer F. Merry and wife, of New York City; Miss Juanita Johnson of Tampa; Mr. and Mrs. J. Doremus who are spending the winter in Orlando.

The highest score was made by Mrs. Merry, the prize was a sterling silver vanity case, filled with 18-karat gold. Refreshments were served at a very late hour and an enjoyable evening was passed by all present. —Orlando Exchange.

CONGRESSMAN J. M. ROBISON

MAKES NAVAL APPOINTMENTS

Washington, March 6.—Representative Robison of the Eleventh Kentucky District, announced today that he has made the following appointments to Annapolis Naval Academy: Principal, Lee F. Campbell, Middlesboro; alternates, Allen B. Tuggle and Harold Miller, of Barbourville; principal, Joseph G. Eversole, Hudson; alternates, Otis Begley, Gells Young and Harold T. Parker, Barbourville.

CARD OF THANKS

We take this means of thanking our many friends for their kind assistance to us during the illness and death of D. W. Slusher. They were very helpful to us when we were almost helpless and it is to these kind friends that we wish to express our appreciation, and in addition to these friends and neighbors we wish to thank the Masonic Order for their splendid assistance in the services and burial of our dead.

Mrs. D. W. Slusher and family.

HOUSEWIVES WARNED

Dr. A. T. McCormack, of the State Board of Health, warns housewives to return to their grocers, unopened, stuffed, ripe olives of the "Batavia" and "Richelleu" Brands.

Don't eat olives that have suspicious odors.

H. C. FREDERICK BOOSTS FRUIT

H. C. Frederick, of Emanuel, visited the Mountain Advocate office last Saturday. He is a fruit growing enthusiast, especially of grapes, which do splendidly and make not only a delicious drink, but also fine pies and jellies. The grape juice keeps good for years.

His grapes were twice killed last year, but he still made a fine crop. Mr. Frederick says he could sell twenty times what he raises right at Emanuel.

He turned the following names of heads of families whose children will grow strawberries:—Jesse Childers, Scott Lovitt, H. C. Frederick, Isaac Frazier, Arch Helton; James Ray, James Carty, Matt Rogers, Maynard Helton, and Harve Fry.

NEW LUMBER PLANT

LEWIS, JONES & GILBERT

Lewis, Jones and Gilbert are putting up a lumber manufacturing plant at the switch just beyond the depot. The land has been leased from Sam Hayes. They want to buy all logs which can be delivered to them either by wagon or by freight. This includes all kinds of timber. Capacity will be about 15,000 feet daily.

Operations will commence April 1st, but logs may be shipped immediately.

The officers of the new firm are Sam L. Lewis, J. G. Gilbert and G. H. Jones, of Nashville, Tenn.

List of prices paid cheerfully furnished by Sam L. Lewis or by the firm.

Over 1,000,000 feet of logs were shipped out of the county last year and it is hoped that all timber will be manufactured here this year and give employment to home people.

BOY AND GIRL CLUB WORK

For Knox County.

J. M. Feltner, Club Agent for Kentucky was here Thursday in the interest of the Boy and Girl Club work of Knox County. The movement is general over the State and much progress has been made elsewhere. In fact, the products of the members of agricultural clubs over the country make up a big amount in material wealth. Not only so, but the work means everything for the future. If we, or other Kentucky counties fall down on the work, then the coming generations will be poorer in farming knowledge because we have done so and the towns and communities will be the poorer financially. It is therefore incumbent that the work be pushed to the limit. Mr. Feltner will start the Clubs but it is up to this community to give them support and see they do not die.

Every county will have a number of organized clubs. Jackson County already has 17, Laurel 20, Whiteley 20, Clay 22.

Knox County will be organized by J. M. Feltner and W. M. Tye in April and Mr. Feltner will come here March 15 and 16 to talk organization with the school teachers of the County. The average membership of these clubs runs from 6 to 35 in Eastern Kentucky.

Each club will have a president, secretary and leader, the latter being an adult of personality and vision, who will direct the work of the club.

The big idea is co-operation thru the club and each boy and girl will be supposed to carry out some definite work along the line of feeding an animal or raising a crop.

Where these clubs have been in existence for any length of time, it has been found that an adult community of interest has grown up which has helped to lift up the whole county and section.

We shall be pleased to give this work any and all assistance possible.

Let's get behind this work and push it.

OIL NEWS

Ion Carroll has returned from the east where he has interested some Eastern concerns in oil and gas development in Knox County, which it is stated will mean much for the development of this section.

The Associated Producers are reported to be again starting up work on Stinking Creek and it is expected that the well will be brought in at the end of this week or the beginning of next.

REPUBLICAN DISTRICT CONVENTION

Approves State and National
Policies of G. O. P.

At the mass convention of Repub-
licans, held in Barbourville Febru-
ary 23, 1920, the gist of the resolu-
tions passed was as follows:—

Condemning the wanton and reck-
less waste and extravagance of the
present National Administration under
the control of the Democratic party.

The discouragement of legitimate
industry and business of the country
The inefficiency which has caused
such harassment and disquietude to
the laboring man of the country.

The vacillating policies of Pres-
ident Wilson toward the Nations of
the World which have not only sacri-
ficed their goodwill and friend-
ship, but their respect for this coun-
try. All this in disregard of the ad-
vice of Washington, Jefferson, Jack-
son, Lincoln and all the presidents
of this country of ours.

We condemn as unwise the so call-
ed League of Nations as presented
by Mr. Wilson, but we endorse the
actions of Senator Lodge and other
Republican and Democratic Senators
in their efforts to Americanize the
said League of Nations and Peace
Treaty to preserve and protect the
constitution of our country and
American rights.

We condemn the efforts of Pres-
ident Wilson and Secretary of War
Baker to force the Congress of the
United States to adopt Universal
Compulsory Military Training.

We approve the reconstruction
policy of the Republican National
Congress, as also the great construc-
tive laws the said Congress has al-
ready placed on the statute books
of the United States.

We endorse the wise and helpful
constructive program of the State
Republican Administration and as-
sert that it stands as the best rec-
ord of any administration of this
State in helpful and constructive leg-
islation for the benefit of the people
for the last fifty years.

We endorse the administration of
the party's affairs during the last
four years.

We most heartily endorse and ap-
prove the actions of our Congress-
man, Honorable J. M. Robison and
approve his stand on all matters
which have been submitted to Con-
gress and knowing and appreciat-
ing his qualifications for this posi-
tion, and further knowing and real-
izing that he is giving his best and
doing his best for the benefit of the
11th District of Kentucky, we most
heartily endorse him for re-election
to the office which he now holds with
out opposition. We endorse his ef-
forts in Congress in behalf of the
soldiers and laboring men, and we
believe that in all his acts while in
Congress he has been actuated by
the highest motives and intentions,
looking and acting only for the best
interest of the 11th District, our
State and Nation. He has been en-
ergetic, industrious and active in his
duties and we feel that he should be
returned to Congress at the coming
election without opposition.

OH! MY BACK!

The Expression of Many a Kidney
Sufferer in Barbourville

A stubborn backache is cause to
suspect kidney trouble. When the
kidneys are inflamed and swollen,
steeping brings a sharp twinge in
the small of the back, that almost
takes the breath away. Dean's Kid-
ney Pills revive sluggish kidneys—
relieve aching backs. Here's Bar-
bourville proof:

Tyre Lawson says:—I suffered
with my kidneys off and on for
twenty years and was down for
weeks at a time, suffering with my
back. The pains almost drew me
double. I could not walk straight
and often had to lie down to rest
my back. I could not lift anything
or do any work and had to give up
my job. Dean's Kidney Pills cured
me making me sound and well. I
have had no backache or other sign
of kidney trouble for years.

SILVER TEA

The Ladies Aid of the Methodist
Episcopal Church will give a "Sil-
ver Tea" at the home of former
Governor James D. Black on April
3rd. No admittance will be charged
at the door but a free offering of
silver from one dime up will be ac-
cepted. Proceeds will be used for
repairs on Church and Parsonage.
The "Public" is most cordially in-
vited to attend.

TO COUNTY TEACHERS

The teachers of Knox County will
receive a minimum salary of \$75.00
per month for the school year of
1920-21. There will be an attend-
ance officer to enforce the new com-
pulsory attendance law.

The teachers will be employed by
the local trustees this year as they
have been in the past.

The new County Board of Educa-
tion, consisting of five members, will
be elected at the November election
1920, by the legal voters out side
of cities and of the graded school
district, and will qualify the first
Saturday in March, 1921. Said
Board will appoint a County Super-
intendent who will take office Jan-
uary 1922.

All examinations will be held by
the County Superintendent and his
Board of Examiners, but the papers
will be graded by the Department
of Education at Frankfort and cer-
tificates issued from that office.

I will issue a copy of the new laws
just as soon as I receive them from
the State Department.

EXPRESSION OF THANKS

The Women's Study Club wishes
to show its appreciation by extend-
ing thanks thru the Advocate to the
men who took part in The Woman-
less Wedding, and are responsible
for its splendid success. We would
like to give each man personal men-
tion but as space will not permit the
least that can be said is, each man
was perfect in his part and a more
appreciative audience could not have
been hoped for. We also wish to
thank Mr. Burman, the obliging ed-
itor, for his generous advertising.
Mr. Hudson for tickets donated and
Mr. Carey for the splendid service
rendered us at the High School.

Mrs. J. A. McDermott, Chairman
Press Committee.

A Kentucky Woman's Experience

Paducah, Ky.:—"It is a pleasure to me
to recommend a medicine that has done me
so much good as Dr.
Pierce's Favorite
Prescription has
when I have taken
it as a tonic during
expectancy. I have
been such an en-
thusiast over 'Fa-
vorite Prescription',
and the benefit I
have received from
it that I have not
only recommended
it to my friends
but to my own
daughters as well
and I have never known of a case where it
has failed in giving the results desired."
—MRS. CORA SMALLMAN, 908 N. 8th St.

A Nervous Wreck

Louisville, Ky.:—"I was certainly a
nervous wreck before I took Dr. Pierce's
medicines. I was nervous, my back ached
all the time and I had intense pains. When
I refused to submit to an operation my
doctor told me about Dr. Pierce's Favorite
Prescription and Lotion Tablets and altho
I had very little faith in any medicine and
thought I was going to die, I got these
medicines at the drug store. My recovery
was so rapid and complete that it surprised
the doctor; even he thought it would be just
temporary relief, but I am thankful to say
that it is apparently a permanent cure. I
have had two children since, both of them
'Favorite Prescription' babies, for I took
this splendid tonic while I was. My health
was fine and I had practically no suffering.
I cannot praise these remedies too highly.
I only hope my state will be the means
of many other women being restored to per-
fect health by using Dr. Pierce's Favorite
Prescription and his 'Lotion Tablets'.
—MRS. NETTIE BURNS, 264 N. Campbell

E. V. BARGO COUNTY CLERK

E. V. Bargo has been appointed
to fill the unexpired term of office
of Mr. D. W. Slusher, who died last
week. On Thursday, March 4th, Mr.
Bargo went to Middlesboro where he
took his examination under the su-
pervision of Judge W. T. Davis, of
the 26th Judicial District and received
a certificate of qualification, hav-
ing passed the examination with hon-
ors. Mr. Bargo is affable and ob-
liging and his many friends will be
pleased to learn of his appointment
especially as he is familiar with the
details of the work.

CARD OF THANKS

I wish to express my heartfelt
thanks to my friends who assisted
me at the time of the burial of my
dear wife, Martha Parker, and also
to thank Rev. Creal for his many
consoling words.

J. B. Parker.

PRESBYTERIAN SERVICES

Evangelistic services will begin
Sunday at the Presbyterian Church,
Dr. M. W. Lau and wife, of Detroit,
being in charge. The meetings will
last three weeks. Dr. and Mrs. Lau
have just returned from Florida.

SHOOTING AFFRAY

James Vaughn of Geese Creek,
was wounded and suffered a broken
arm at the boarding house at Four
Mile in a shooting affray last week
which it is alleged took place be-
tween Vaughn and two companions
and Charley and Jim Nuchols.

As was formerly stated in the Ad-
vocate, Charley Nuchols was recent-
ly hurt by a mule which broke two
of his ribs and lacerated some of the
tendons of one hip.

Jim Nuchols was working at the
coal bank at Four Mile. Will Nu-
chols, another son, arrived at Four
Mile after the shooting and the three
men left for parts unknown. It is
stated that a warrant has been
sworn out against Charley Nuchols.

Vaughn is a patient in the Legan
Infirmary, Barbourville.

Certain-teed Week March 15-20

is a week devoted by dealers everywhere to the display of Certain-teed Products which contribute to the proper construction of new buildings and the improvement of old ones.

Certain-teed Products Improve New and Old Buildings.

CERTAIN-TEED Roofing will provide you with a weather-proof, spark-proof roof at a moderate cost. **Certain-teed Roofing**, the highest quality prepared roofing, is guaranteed for five, ten, or fifteen years according to weight. It has never been known to wear out on the roof. If you are putting up a new building or repairing an old one Certain-teed Roofing should have your careful consideration. **Certain-teed Paints and Varnishes** are also of the highest quality. They are made by experts of nothing but the best materials.

Certain-teed Paints are sold on a fair price policy which means that each color is priced at its cost to producer, plus a fair profit. This policy means a real saving for you. Certain-teed Dealers in your community have a stock of Certain-teed Roofing, Paints, and Varnishes. They will be glad to help you plan the work and select the proper Certain-teed Products. Call upon a Certain-teed Dealer this week and get the benefit of this help and experience.

COLE & HUGHES

NEW WHOLESALE GROCERY COMPANY IN BARBOURVILLE
The "Dixie Wholesale Grocery Company" has been formed and is now established in business just across from the L. & N. Station in Barbourville, Kentucky. This new company is composed of the following stockholders:— Robert W. Cole, L. M. Cole, J. A. McDermott, J. F. Hughes, J. F. Rasnick, J. D. Jarvis, John W. Hughes, R. N. Jarvis, W. S. Hudson and C. G. Cole. The first meeting of stockholders and directors was held at the law office of R. N. Jarvis, on last Saturday and at the said meeting the following directors were elected:— R. W. Cole, L. M. Cole, J. D. Jarvis, R. N. Jarvis, W. S. Hudson, C. G. Cole and J. A. McDermott.
The Board of Directors held their first annual meeting immediately after the stockholders meeting at the same time and place and elected its officers. Hon. Robert W. Cole, Cashier of the First National Bank of this city, and one of Knox County's best business men, was elected president of the company and we are of the opinion that none better could have been chosen to guide the business of the new company. Hon. R. N. Jarvis, one of our leading attorneys and a wide awake young man, was elected vice-president of the company. Hon. J. A. McDermott, one of Knox County's leading business men and a man who has wide business connections, was elected Treasurer of the company. Mr. C. G. Cole, who has long been associated with and a member of the firm of Cole, Hughes & Co., one of our leading retail stores, was elected secretary of the company. Mr. L. M. Cole, whose reputation as a merchant and a business man is unquestionably the best and who has made the firm of Cole, Hughes & Co. a great success, was elected the selling large quantities of merchandise.

General Manager of the new concern and Mr. Cole will retire from active management of Cole, Hughes & Co. and will take active charge of the new wholesale grocery house and we feel confident in saying that Mr. Cole will make this new company which has established business in our midst a great success and to such an extent that it will be credit to our town.
The new concern desires that the columns of this paper to solicit the patronage and business of the new wholesale grocery house and give assurance that any and all orders received will be given prompt attention and will be greatly appreciated.
The new wholesale house purchased a large stock of merchandise from Cole, Hughes & Co. and are prepared every day and will be able to supply the demands of its customers and it is capitalized at \$30,000.00, and it now has on hand approximately that much merchandise. We feel that such new enterprises as this should be encouraged as it is a great thing for our county and city and we take the liberty of wishing the new concern the greatest success.
Our Prescription Department is in charge of an experienced physician who has had years of actual experience in compounding prescriptions, ensuring that your prescriptions will be filled R-I-G-H-T, and no substitutes used.
Prescriptions are sold at the same rate as package drugs and prices are reasonable. Cut Rate Drug Co., Next door to Jones Hotel.

The Best Insurance Against Influenza

**Prominent Educator Believes That Vapomentha Is
A Sure Preventive**

Dr. R. M. Brame, discoverer of Brame's Vapomentha Salve, has a letter from C. C. Wright, Superintendent of the Wilkes County, N. C., Public Schools, in which he says: "We have used Brame's Vapomentha Salve for nearly all the ills for which it is prescribed and have always secured satisfactory results. If used in time it has never failed to break up colds, usually the forerunner of Grippe, Influenza and Pneumonia. I speak from personal observation. I believe if this preparation is used in time it will prevent the development of pneumonia. In every instance, if used according to directions. These strong statements are fully justified by the remarkable recoveries that follow. Brame's Vapomentha Salve is applied freely over the chest and throat and inserted in

each nostril. Brame's Vapomentha Salve penetrates the pores of the skin, relieving congestion, at the same time healing vapors arise and are breathed through the mouth and nose loosening the phlegm and causing the patient to breathe freely. Its absolute reliability is evidenced by dozens of unsolicited testimonials. Brame's Vapomentha Salve will relieve pneumonia, influenza, grippe, pleurisy, bronchitis, whooping cough, catarrh, asthma, tonsillitis, hay fever and inflammation of the skin. Vapomentha is applied externally, and it will not stain the clothes, as other salves do. No home should ever be without it. Buy it from your druggist or direct from the Brame Drug Co., North Wilkesboro, N. C. A small bottle costs 30c; a much larger one, containing six times as much, \$1.20.—Adv.

CLUB MEETING
The Women's Study Club met with Mrs. L. L. Richardson, Thursday afternoon, March 4th. Fifteen members responded to roll call with musical quotations.

Mrs. Thomas Hayden, of Corbin, and Mrs. Cobb, of Warren, Ohio, were guests during the afternoon. Those invited for the social hour were Mesdames Edward and Tomlin Garrard, T. J. Belcher, A. N. Herndon, T. W. Minton, W. W. Tinsley, Miss King and Miss Mayhew.

The entertainment committee reported the receipts from the "Womanless Wedding" about \$160.00.

The program committee asked for further time in which to submit courses for next year's work. The committee on arrangements for the District Meeting April 27th reported that a joint meeting with Civic League committee was held on March 3rd. The Christian Church was decided upon as the place for the meeting. There will be an all day business session and a lecture in the evening by Dr. Farquhoo, of the English Department of the University of Kentucky. To both these meetings the public is invited.

Full program will be announced later.

Committee to confer with Commander Logan, Deaton-Smith Post, American Legion of this city, reported that the Commander is not ready yet to start the drive for funds to build the Community House but will give same his attention later in the spring.

The following program was splendidly given:

Mrs. Joseph Mitchell, chairman. The New Musical Education, Miss Emma Morris; The Music Lover's Need of Education, Miss Zella Pelley; Beginning of American Painting, Mrs. Mitchell.

After adjournment a delicious salad course was served by the hostess.

HOPPER-SMITH
The marriage of Mr. Harrison Smith, coal operator, and Miss Anna Hopper, daughter of Mr. S. B. Hopper, took place at the home of the bride on Sunday, Rev. J. H. Blackburn performing the ceremony that joined the hearts and hands of the young people. Their many friends will wish them every joy in their new estate.

Don't Prod Your Liver to Action

NR Overcomes Bilioousness, Constipation, Sick Headache, Quickly. No Gripping or Pain. Guaranteed.

The organs of digestion, and filtration and elimination—the stomach, liver and bowels—are closely allied, and the proper action of any of these organs is largely dependent upon the correct functioning of all the others. "Whipping" your liver into action with cathartics or forcing your bowels with irritating laxatives or strong cathartics is a great mistake. A better, safer plan is strengthening and toning the whole digestive and eliminative system with Nature's Remedy (NR Tablets), which not only brings immediate relief, but gentles and lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache. Get your system thoroughly cleansed and purified by taking Nature's Remedy (NR Tablets) and you will not have to take more of any drug—just take one NR Tablet occasionally to keep your system in good condition and always feel your best. Remember it is easier and cheaper to keep well than it is to get well. Get a 25c box and try it with the understanding that it must give you greater relief and benefit than any bowel or liver medicine you ever used or no pay. Nature's Remedy (NR Tablets) is sold everywhere, guaranteed and recommended by your druggist.

Anemic Condition Unnecessary
Pepto-Mangan Makes Rich, Red
Blood—Builds Up Pale, Anemic
Men and Women

Good health is the most important asset of life. Without a vigorous, strong body and a keen, clear mind, true happiness and enjoyment are impossible.

And yet so many women, and men too, whose misfortune it is to be pale, thin and anemic, hopelessly accept this condition in the belief that robust health and real happiness are not for them.

Thousands of men and women have been restored to vigorous health and lasting happiness by Gude's Pepto-Mangan. This beneficial blood tonic contains the very properties so vitally needed to improve the blood. Pepto-Mangan, if taken for a few weeks, will enrich the blood and create thousands of the tiny red blood cells that are so necessary to carry nourishment and strength to every part of the body.

Pepto-Mangan is safe, beneficial, and pleasant to the taste. For convenience it is prepared in liquid and tablet form, both possessing exactly the same medicinal properties.

Be sure to ask your druggist for "Gude's" when you order Pepto-Mangan. "Gude's" is the genuine Pepto-Mangan. Look for the "Gude's" on the package. (Advertisement.)

Man Claims Relief Gained Thru Trutona Treatment Worth \$100

Owensboro, Ky., Mar. 11. "I only spent \$1 for my first bottle of Trutona but I wouldn't take \$100 for the relief that it gave me." This is the statement of Mr. W. H. Hornmaker, 58 years old, of 1120 Breckinridge Street. Mr. Hornmaker is assistant yard foreman in the Murphy Chair Co., and during his 30 years residence in this city has become very well known.

"A catarrhal affection of the head and bronchial tubes caused me much trouble," he said. "I was bothered with constipation and my kidneys were out of order. My bowels did not act for two or three days at a time. I was constantly annoyed with the dripping of mucus from my mouth. Often I became choked up and would cough until I vomited."

"Well sir, Trutona has certainly improved my catarrhal condition. The mucus has become loosened and I can spit it out without suffering the terrible coughing spells. My kidneys are in better shape, too. Why, I can walk all the way home without my back hurting me. There are 200 men in our factory and I am daily recommending Trutona to some of them who need relief."

Trutona is now being introduced and explained in Barbourville at Costello Drug Co.—Adv.

THE KNITTING FACTORY

It is our pleasure to report that we now have 302 names signed to the agreement to work in the Knitting Mill if one is installed in Barbourville. The whole thing pretty nearly went to the wall since we have no organization to put such a thing thru. It was found necessary to collect some money to pay for the time of Bert Enron, whose time is naturally as valuable to him as that of anyone else. He finished the good work of Messrs. Steve Golden, John Ruggles and others in short order, agreeing to take just what his time was considered worth.

The names went in Monday night, a week late. Lyman R. Benjamin, who has patriotically paid out considerable from his own pocket, has also handled the clerical end of the work. Credit should also go to A. D. Smith, who brought the representative of the Knitting Mill here. We trust it will go thru and that if any further support is needed, it will be readily given.

Such an institution will not only give work to our women and girls, but will also turn loose \$6,000.00 to \$7,000.00 or more per month, which money will be spent with our merchants.

We have urged an organization of the business men before and we reiterate that Barbourville and Knox County are big losers thru the lack of one. Let us get together and do something. If we get only ten men working together we can accomplish much.

Two books in England brought about two big reforms, a blind postmaster general introduced penny postage. Washington hung on, the lacking the support of Congress and one cake of yeast will leaven a whole lump of dough.

United, we stand! Divided, we are like a can of angle worms, wriggling and twisting, but powerless to go anywhere.

ORDINANCE

Providing for the sale of a Franchise granting the right and privilege to occupy the streets, avenues and alleys and public places of the Town of Barbourville, Kentucky, with permission to erect, install and maintain poles, wires, transformers and other apparatus for the purpose and with the right to generate, distribute, vend and sell electric energy for light, heat, power and other purposes; and prescribing the terms and conditions upon and the manner in which the same may be done.

Be it ordained by the Board of Council of the Town of Barbourville, Kentucky, as follows, to-wit:—

Section I.—The purchaser or grantee of this franchise, his or its legal representatives, successors and assigns be and is, subject to the conditions hereinafter contained, hereby authorized and empowered to acquire, purchase, construct, maintain and operate in and thru the town of Barbourville, Kentucky, a system of works for the generation and transmission of electrical energy from points within or without the corporate limits of said City, to persons, corporations and municipalities beyond the said corporate limits thereof, and for the sale of same for light, heat and other purposes; and to erect and maintain wires and other apparatus necessary or convenient for the operation of said system in, upon and along each and all of the streets, avenues, alleys and public places in said City, to have and to hold, as by law authorized, any and all real estate, easements, water and other rights necessary or convenient for said purpose; to use within the present and the future corporate limits of said City any and all streets, avenues, alleys and public places as the same are now or may hereafter be laid out, while constructing said electric light system or works, and the right to cross any stream in said City for the purpose of constructing, maintaining or extending such poles wires and other apparatus as may be necessary or convenient for the proper distribution of electric energy in and thru said City. All poles located and erected under the direction of the City authorities subsequent to May 30, 1919, and the City Council shall order the removal of said poles

to another location, the City shall pay the cost of making such removal.

Section II.—All poles, overhead wires, conduits or pipes erected under this grant, shall be so constructed as not to interfere unnecessarily with the travel on the streets, avenues, alleys and public places in said City and shall be placed so as not to interfere with the ingress or egress to, from and over any of said streets, avenues, alleys and public places.

Section III.—The purchaser of this franchise shall indemnify and save harmless the City from any and all damages, judgments, decrees, cost and expense, including a reasonable attorney fee, which said City may legally suffer or incur, or which may be legally obtained against said City for or by reason of the use and occupation of any street, avenue, alley or other public place in said City by the purchaser, pursuant to the terms of this franchise, or legally resulting from the exercise by said purchaser of any of the privileges herein granted; and if any claim shall be made or suit brought against the said City for damages alleged to have been sustained by reason of the occupation of any street, avenue, alley or public place by said purchaser, the City shall immediately notify the purchaser in writing thereof, and the purchaser is hereby given the right and privilege to defend or assist in defending such suit, in the name of the City.

Section IV.—The purchaser of this franchise may furnish electricity for light, heat, power and other purpose to any person or persons residing along or near the aforesaid streets, avenues, alleys and public places, and may make such contracts for the use thereof as may be agreed upon between the said purchaser and the said person or persons. The rates for service shall be uniform to all consumers for like purposes.

Section V.—The purchaser of this franchise shall have the right to make a current charge for electrical services, not to exceed the following rates:

First 100 Kilo-Watt hours,	16c
Next 200 Kilo-Watt hours	15c
Next 300 Kilo-watt hours	14c

I Owe My Life to PE-RU-NA

Mr. McKinley's letter brings cheer to all who may be sufferers as he was. Read it:

"I can honestly say that I owe my life to Peru. After some of the best doctors in this country gave me up and told me I could not live another month, Peru saved me. Travelling from town to town, throughout the country and having to go into all kinds of badly heated stores and buildings, sometimes standing up for hours at a time while playing my trade as auctioneer, it is only natural that I had colds frequently; so when this would occur I paid little attention to it, until last December when I contracted a severe case, which through neglect on my part settled on my lungs. When almost too late, I began doctoring, but, without avail, until I heard of Peru. It cured me so I cannot praise it too highly."

It Cured Me

The said purchaser shall have the right to make a minimum charge to any one customer as follows:—

For Electric Light Service, One dollar and fifty cents (\$1.50) per month.

For Electric Power Service, One Dollar (\$1.00) per horse power or fraction thereof, of the total rated capacity of the motor or motors or other apparatus connected, per month.

For Electric Heating Service, One Dollar (\$1.00) per each 1000 watts or fraction thereof, of the connected apparatus, per month.

It is agreed and understood that the current rates hereof shall be subject to an additional one hundredth (1-100) of one cent (1c) for each one cent (1c) increase in the cost of coal delivered to the bins of the purchaser's generating station, above three dollars (\$3.00) per ton; and the current rates likewise shall be subject to a deduction of one hundredth (1-100) of a cent per each 1 cent (1c) decrease in the cost of coal at the purchaser's generating plant below three dollars (\$3.00) per ton.

The said purchaser shall also have the right to make and enforce reasonable rules and regulations to or convenient for the proper conduct of its business and the protection of its property, and shall have the right to remove its meter or meters from the premises of any customer and to discontinue its service whenever such customer shall fail or refuse to pay his monthly bill on or before the fifteenth (15th) day of any month for current consumed or furnished the preceding calendar month.

Section VI.—The purchaser of this franchise shall be required to build any extensions of its electric lines and install any additional electric equipment thereto when there is assured at least six dollars (\$6.00) per month income for the use of electric light, heat, power or other purpose, for every one hundred (100) feet of lines added or extended.

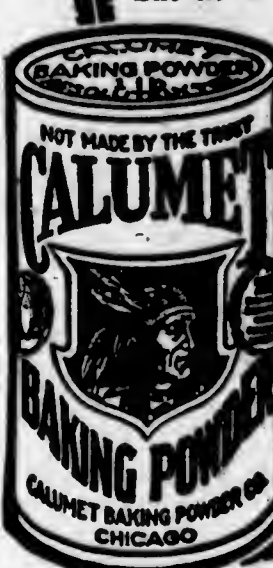

Section VII.—All the rights and privileges granted by this franchise shall be for a period of twenty (20) years from and after the same shall be granted to the purchaser thereof and said franchise shall be in full force and effect for the period aforesaid from and after the date of said grant.

Section VIII.—The purchaser of this franchise shall within a period of six (6) months after said purchase be in a position to furnish electric service herein provided.

YOUR SUGGESTION

If your liver works all right, the rest of your inside works are apt to be all right — otherwise not so. Then look after your liver, see that it runs "smooth and steady"; that it doesn't get clogged up or skip a cog and throw the whole machinery out of gear.

How About Your Catarrh? Do You Want Real Relief?

Then Throw Away Your Sprays
and Other Make-shift Treat-
ment.

Why? Simply because you have overlooked the cause of catarrh, and all of your treatment has been misdirected. Remove the cause of the clogged-up accumulations that choke up your air passages, and they will naturally disappear for good. But no matter how many local applications you use to tem-

porarily clear them away, they will promptly re-appear until their cause is removed.
S. S. S. is an antidote to the millions of Catarrh germs with which your blood is infested. A thorough course of this remedy will cleanse and purify your blood, and remove the disease germs which cause Catarrh.

HANDS, ARMS, LIMBS ASLEEP

And Was Run-Down, Weak and Nervous, Says Florida Lady.
Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Price, of this place, says: "After the birth of my last child...I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time..."

I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. —about my taking Cardui. He said, 'It's a good medicine, and good for that trouble', so he got me 5 bottles...After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides."

You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it. 16

Keep an Eye on Your Eyes

Of all your earthly possessions, the most precious is your power of sight—your eyes! Yet how very careless you are of them!

Good eyes are your greatest asset. The proper care of the eyes is your most important duty. Help your eyes to help you!

There are today thousands upon thousands of people in all walks of life who should be wearing glasses — yet they prefer to suffer from headaches, nervousness and other mental disorders, rather than give time and thought to have their eyes examined and properly cared for. Delay is most unwise because at best you are risking the quality of your vision. You have toothache, you see the dentist. Sick, you wisely see the doctor. Your eyes smart and hurt you—you pass them up.

Yet the eye is the greatest medium which serves the brain. Without it—Darkness! Teeth find a substitute, medical science helps you, but nothing can give sight to blind eyes.

Don't compare your eyesight with that of your neighbor! It is impossible to mould all dispositions alike; probably your eyes are not like your neighbor's.

Eyes examined scientifically without the use of drugs. Glasses prescribed only when examination shows their need.

THREE MOONSHINE STILL STOLEN FROM COURT HOUSE

Sheriff Renfro and his deputies have captured three moonshine stills in this county within the last six weeks. These stills were stored in the Circuit Court Clerk's office in the Court House, and on last Monday night someone evidently desirous of making a few runs, prized open the window of the Clerk's office and swiped all three of the stills.—The Whitley Republican, Williamsburg.

IN MEMORY OF D. W. SLUSHER

D. W. Slusher, the subject of this sketch, was born in Knox County, Ky., near Flat Lick, in the year 1872, and died at Barbourville, Ky., March 1st, 1926, being about forty-eight years old at the time of his death. He was a son of John Slusher, Sr., who lived in and near Flat Lick, Ky., for many years. Dan, as he was familiarly known by his neighbors, spent the years of his young manhood in acquiring an education and teaching school in Knox County. During the time he was a teacher he was regarded as one of the strongest instructors in the county and to his untiring energy and judgment as a teacher many young men and women of this county owe their success in gaining a practical education.

He was soundly converted to the Christian religion and baptized into the fellowship of the Concord Baptist Church in August, 1896. He was an untiring worker in Sunday School and Church work giving liberality of his means to the support of all benevolent purposes.

He was a man of strong character and always stood square for all things that were for morality and good citizenship and opposed every thing wrong. His friends, who are legion, join in testifying to his worth as a Christian gentleman.

He married Miss Post Bargo, of Flat Lick and to this union four children were born, three of whom with his widow, survive him.

He was elected County Court Clerk at the last regular County election and served the people fairly and faithfully until his death. Two years ago he was made a Mason in the Mountain Lodge No. 187, F. & A. M. and was a useful and honored member of the Order as long as he lived. On the day of his funeral, the Masonic Lodge assembled and went to Flat Lick and after religious services by the writer, interred his body with Masonic honors he loved so well in the family cemetery amid the scenes of his boyhood days.

In conclusion we join in saying the County has lost a good citizen and servant; his Church, a loyal member; and his family, a kind father and faithful husband.

"Peace to His Ashes!"

IS FEELING LIKE OLD SELF AGAIN

Halfroad Man Wasn't Exactly Sick But Felt Tired And Worn Out All The Time.

"I was in a badly run-down condition when I started taking Tanlac, but after taking only two bottles I am feeling like my old-time self again," said Albert F. Smith, 517 Elm Street, Toledo, Ohio, a brakeman on the Toledo-Ohio Central Railroad, recently. Continuing, Mr. Smith said:

"While I was not exactly sick, I was so badly run down for some time past that I just felt tired and worn out all the time and not like doing anything. My appetite was nothing like as good as usual. I did not relish what I ate and it did not agree with me. I had no ambition and was sluggish and my work tired me so when I came in off my run out on the road that I felt all tagged out and did not feel like going out of the house or doing anything but sitting down or going to bed.

"I had been reading so much in the newspapers about the good Tanlac was doing others that I decided to give it a trial and it surely went right after my case in a hurry. Before I had finished the first bottle I noticed I was getting back to my former good condition. Now my appetite has returned and I can eat anything I want and all I want without feeling any bad effects. I am completely over that tired, worn-out feeling and come off the road after a hard day's work feeling just like I could still do another good day's work without stopping. I am gaining in weight so fast my clothes are getting too tight for me. I am going to take a few more bottles of Tanlac, just to be sure I don't have a return of my troubles. It is surely a grand medicine and I advise everybody who feels as I did to take it."

"Tanlac is sold in Barbourville at The Cut Rate Drug Store. (Advertisement.)

MILLS NEWS

Robert Smith visited N. B. Mills Sunday and took dinner with him, making him feel like a king and laughing.

Born to the wife of Tommy Gambrell, a fine boy, Otis, Feb. 27th, Tom is still smiling.

John Gambrell has made a sled to haul lumber on and says it beats a wagon now.

Turner Hubbard has been sawing stove wood for N. B. Mills this past week and it tickles him to see the blocks roll.

Matt Mills has bought a milk cow from Tom Gambrell.

Walter Mills has a mule fever, but has not bought yet.

J. L. Carnes swapped his jack for a yoke of steers and thinks he made a good swap.

I. T. Mills' hand is healing fast and he will soon be able to work again.

Ike Smith has been hunting this winter but has not done much.

Mrs. Dan Jackson and son Nasby, of Sealf, visited their daughter and sister, Mrs. N. B. Mills last week.

KING NEWS

Flu is dying out here.

The wife of Franklin Taylor, who left here with her husband for Indiana a year ago, died there recently from flu. Hub Hall is bringing four of the children to P. A. Hall, father of Mrs. Taylor, and Franklin Hall will bring the baby later. The baby is not yet a year old.

J. C. Pritchard, who has been afflicted with rheumatism, and G. D. McNeill took a dressed hog to Barbourville which they sold to Cole, Hughes & Co. at 20c per lb. They expected to bring out fencing but the roads were so rough they did not risk it.

W. R. McNeill has written home folks that he is at Newell, Iowa, and will probably be there for some time.

Elm Partin, of Mackey Bend, is reported very sick, possibly with rheumatism.

J. L. Blair has just completed a nice timber deal with the Pritchard boys.

W. C. Elliott has just received a nice, pure stock Poland China hog which he purchased from Foster Brock, of London, Ky.

Mr. Oscar Foley has just sold three nice, fat hogs to J. L. Blair. He says they are bringing a good price now.

Albert Partin seems to be having good success in the poultry business. Albert Pritchard, son of H. M. Pritchard, is very sick at this writing but Dr. Tye says he has not got the flu.

Mrs. Rachel Partin and Neva Elliott visited Mrs. Mary Pritchard Monday evening, and both report a nice time.

Tilman Gambrell of Stinking Creek, is visiting his uncle, Tom Pritchard, this week.

Tom Pritchard says a groundhog is mighty hard to kill in the winter time as it took him about ten shots to kill one the other day but he finally murdered him and he was a nice one.

We hope Barbourville will be lucky enough to get the knitting factory.

Get Goodyear Tire Economy for That Smaller Car

Just as owners of the highest-priced automobiles get greater mileage and economy out of Goodyear Tires, so can the owners of smaller cars similarly enjoy Goodyear advantages.

The 30x3, 30x3½, and 31x4-inch sizes of Goodyear Tires are built to afford a money's worth in performance and satisfaction which only the utmost in experience, resources and care can produce.

This extraordinary money's worth begins not only with the merit of these tires, but also with the first cost, which in most cases is no greater, and sometimes actually is less, than that of other makes of the same types of tires.

Go to the nearest Goodyear Service Station Dealer for Goodyear Tires for your Ford, Chevrolet, Dort, Maxwell, or other cars taking these sizes. He is ready to supply you Goodyear Heavy Tourist Tubes at the same time.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread. \$23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread. \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag. \$4.50
